## Notes

As the children starting Madrassah come for admission at different ages strict implementation of the syllabus is very difficult. This syllabus should be used as a guide to good and solid foundation for a Muslim child new to learning about Religion.

Covering of all topics would be accordance to the child's ability/attendance/attitude to learning.

The Syllabus is covering basic general knowledge for a Muslim Child from the age of 5 to the age of 14-16.

The aim is to introduce the child to basic Islamic knowledge in different aspects of Religion preparing the child to live his/her life according to Islam

Encouragement must be given to further his/her Islamic knowledge, by good preparation of lessons.

It is not necessary that all the books/topics mentioned will be covered in the timeframe detailed above. It could take longer which would mean a child would stay longer in a particular class.

Term Time: 1- Shawwal to Rabi ul Awwal 2- Rabi ul Aakhir to Shabaan

This syllabus has been prepared by Imam Muhammad Shoyaib with the students of Madrassah Targheeb ul Qur'aan (run under Masjid e Umer Trust, Walthamstow London) in mind.
